Auction Donation Form

An Evening in La Jolla (ELJ) is the San Diego legal community's signature benefit that raises funds to ensure that immigrants and asylum seekers, low-income communities, survivors of domestic violence, people with disabilities, veterans, the homeless, low-income seniors and at-risk youth have access to legal services and a legal system that serves them well. There will be an auction at the event to help raise additional donations awarded to local organizations during our competitive grants process. Past auction items have included: vacation home rentals, restaurant gift certificates, movie tickets, sports tickets, golf clubs, and more. Please consider donating an item for the 2023 ELJ auction. Your generous gift will help support equal access to justice for the people of San Diego and introduce your organization to hundreds of potential new customers!
